

1 30. If an Annual Budget accepted by the Trustee designates EPA as the Performing
2 Entity for Environmental Response work at a Site, the Trustee shall transfer the amount
3 budgeted for that work from the Environmental Trust to a special account established by
4 EPA for that Site within the Hazardous Substances Superfund without the need for the filing
5 of a Claim. The Trustee shall make the transfer, in accordance with instructions provided
6 by EPA, by the later of (a) ten days after the Trustee's acceptance of the Annual Budget
7 designating EPA as the Performing Party, or (b) ten days after receipt of the payment under
8 Note B being allocated in that Annual Budget. EPA may utilize the transferred funds only
9 to pay for performance or oversight of the work specified for the relevant Site in the Annual
10 Budget. Within 60 days after completion of that work, EPA shall submit a report to the
11 Trustee documenting the work performed and the costs incurred for the work. EPA shall
12 provide the same degree of documentation as required in Paragraph 28, and the process of
13 reviewing, challenging and approving such submissions shall be the same as set forth in
14 Paragraph 28. If the United States has expended less than the full amount transferred to it
15 under this Paragraph for performance or oversight of the Environmental Response work
16 specified in the Annual Budget, it shall return the excess proceeds to the Trust. If the
17 Trustee, after review of EPA's report, determines that EPA expended less than the full
18 amount transferred on performance or oversight of the work specified in the Annual Budget
19 and has not returned the excess proceeds to the Trust, the Trustee shall so notify EPA and
20 shall request repayment of the amount not expended on that work. EPA shall have thirty
21 days either to challenge the Trustee's determination by petition to this Court or to pay the
22 amount requested to the Trustee for redeposit into the Environmental Trust Account. If the
23 Trustee's determination is upheld in whole or in part, EPA shall, within thirty days, pay the
24 amount determined to be payable to the Trustee for redeposit into the Environmental Trust.

25 31. Any Claim or portion thereof not paid solely because there was insufficient
26 money in the Environmental Trust or because it exceeded the amount budgeted in the Annual
27 Budget for any calendar year may be considered for inclusion in the Annual Budget for the
28 following calendar year.

1 32. Any portion of the Environmental Trust not expended in a given year shall be
2 available to pay Environmental Response Costs in the following calendar year.

1 **X. COVENANTS OF THE UNITED STATES**

2 **Temporary Deferral of Existing Environmental Obligations**

3 33. The United States agrees that the total annual Environmental Response Costs
4 that the United States shall require ASARCO to incur or pay during calendar years 2003
5 through 2005 pursuant to any consent decree or administrative order, including but not
6 limited to those listed in Paragraphs C, D, or E, over and above the Environmental Response
7 Costs designated for funding by the Environmental Trust during those calendar years
8 pursuant to Section VIII of this Consent Decree, shall not exceed the following limits:

9 Calendar Year 2003 - \$2 million;

10 Calendar Year 2004 - \$2.5 million; and

11 Calendar Year 2005 - \$3 million.

12 Subject to the reservation of rights set forth in Section XII, the United States agrees

13 a. not to seek judicial enforcement against ASARCO of any consent
14 decree or administrative order, and

15 b. not to seek judicial enforcement to recover costs of Environmental
16 Response work incurred by the United States prior to February 1, 2003,
17 to the extent that such enforcement would require ASARCO to incur or pay Environmental
18 Response Costs during calendar years 2003 through 2005 in excess of the limits prescribed
19 in this Paragraph, provided that ASARCO remains in compliance with all obligations
20 imposed under the terms and conditions of this Consent Decree and all agreements or
21 schedules arising thereunder, and provided that the payments to be made under Note B as
22 assured by the Guaranty are not in default. Costs incurred by ASARCO in connection with
23 Environmental Response other than such Environmental Response as the United States
24 directs ASARCO to perform shall not be included for purposes of calculating credit towards
25 the annual limits prescribed in this Paragraph. In calculating Environmental Response Costs
26 for purposes of the limits established in this Paragraph only, ASARCO may include internal
27 costs that are incurred in lieu of costs that otherwise would have been expended for an
28 outside contractor for performance of the same Environmental Response work. Such costs

1 may be included only if ASARCO and the United States agree in advance on the scope of
2 the work by ASARCO employees to be included in such credit and the specific amount to
3 be credited.

4 Other Covenants and Agreements

5 34. Any payments actually made to the United States from the Environmental Trust
6 for a particular Site shall be credited by the United States to the appropriate account for that
7 Site. Environmental Response work performed at a Site that is funded by monies credited
8 to the appropriate account for that Site under this Paragraph shall reduce the liability of
9 ASARCO and any other potentially responsible parties at that Site in accordance with
10 applicable law. The United States covenants and agrees not to seek reimbursement from
11 ASARCO of any amounts credited to a Site account pursuant to this Paragraph.

12 35. The United States covenants and agrees not to seek from ASARCO stipulated
13 or statutory penalties based on any failure of ASARCO to comply fully with any requirement
14 to perform Environmental Response work or any requirement under an existing CERCLA
15 or RCRA consent decree or administrative order that requires ASARCO to provide financial
16 assurance for Environmental Response work to be performed under that decree or order,
17 where such noncompliance has occurred between December 1997 and the date of entry of
18 this Consent Decree.

19 36. The United States covenants and agrees not to seek from ASARCO stipulated
20 or statutory penalties based on any failure of ASARCO to comply fully with any requirement
21 under an existing CERCLA or RCRA consent decree or administrative order that requires
22 ASARCO to provide financial assurance for Environmental Response work to be performed
23 under that decree or order, where such noncompliance occurs during calendar years 2003,
24 2004 and 2005, provided that ASARCO remains in compliance with all obligations imposed
25 under the terms and conditions of this Consent Decree and all agreements or schedules
26 arising thereunder, and provided that the payments to be made under Note B as assured by
27 the Guaranty are not in default. However, nothing in this Paragraph limits the rights of the
28 United States to seek information about ASARCO's financial status.

1 37. Effective upon the occurrence of all events required to occur on or before the
 2 Closing Date, as set forth in Paragraph 6, and not before such time, the United States
 3 covenants not to sue and agrees not to pursue all of its Environmental Response Costs
 4 incurred prior to February 1, 2003, for: (a) the Circle Smelting Non-Time Critical Removal
 5 Site; (b) the Globe Plant Site; and (c) the Murray Smelter Consent Decree - Relevant Section.
 6 In addition, the United States covenants not to sue and agrees not to pursue \$2 million of its
 7 response costs incurred prior to February 1, 2003, for the Commencement Bay
 8 Nearshore/Tideflats Superfund Site - Relevant Operable Units.

9 38. Effective upon the occurrence of all events required to occur on or before the
 10 Closing Date, as set forth in Paragraph 6, and not before such time, the United States
 11 covenants not to sue and agrees not to pursue any legal challenge to the transfer of the
 12 Defendants' ownership interest in SPCC stock based on a claim that the transfer was not for
 13 sufficient value received or based on any other claim alleged in the Complaint. Furthermore,
 14 as provided in Paragraph 7, the Stipulation shall be deemed terminated upon the occurrence
 15 of all events required to occur on or before the Closing Date as set out in Paragraph 6, subject
 16 to the reopener provisions of Paragraph 46.

17 **XI. COVENANTS OF ASARCO, SPHC, AMC AND GRUPO MEXICO**

18 39. ASARCO, SPHC, AMC, and Grupo Mexico agree not to assert any claims or
 19 causes of action against the United States, or its contractors or employees, in connection with
 20 the matters addressed by or work performed under this Consent Decree, including but not
 21 limited to:

22 a. any direct or indirect claim for reimbursement from the EPA Hazardous
 23 Substance Superfund established by 26 U.S.C. § 9507, based on Sections 106(b)(2),
 24 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or
 25 9613, or any other provision of law, for Environmental Response Costs paid by the
 26 Environmental Trust or for costs subject to the United States' covenant not to sue set
 27 forth in Paragraph 37;
 28

1 b. any claims arising out of the work performed under any Annual Budget
2 for which a Claim is paid by the Environmental Trust; and

3 c. any claims arising out of the United States' challenge to
4 ASARCO/SPHC's transfer of its ownership interest in SPCC stock once such transfer
5 is completed.

6 40. ASARCO, SPHC, AMC, and Grupo Mexico agree not to assert any claim or
7 defense against the United States in any subsequent administrative or judicial proceeding
8 initiated by EPA, DOI or USDA, or by the United States on behalf of EPA, DOI or USDA,
9 for injunctive relief, recovery of response costs, or other appropriate relief relating to matters
10 within the scope of this Consent Decree, based upon the principles of waiver, res judicata,
11 collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any
12 contention that the claims raised in the subsequent proceeding were or should have been
13 brought in this proceeding.

14 **XII. RESERVATION OF RIGHTS**

15 41. The United States reserves, and this Consent Decree is without prejudice to,
16 all rights against ASARCO/SPHC with respect to all matters not expressly included within
17 the covenants and agreements of the United States set forth in Section X, including but not
18 limited to the right to file and enforce liens authorized under applicable environmental
19 statutes and the right to pursue enforcement action against ASARCO, with respect to:

20 a. liability of ASARCO under CERCLA, RCRA, the Clean Water Act, 33
21 U.S.C. § 1251 *et seq.*, the Clean Air Act, 42 U.S.C. § 7401 *et seq.*, and any other
22 environmental statute or the regulations promulgated thereunder;

23 b. liability of ASARCO under any existing consent decrees or administra-
24 tive orders, including but not limited to those listed in Paragraphs C, D, or E;

25 c. liability for response actions and costs incurred or to be incurred by the
26 United States;

27 d. liability for damages for injury to, destruction of, or loss of natural
28 resources, and for the costs of any natural resource damage assessments;

1 e. liability for unlawful transfers of corporate assets or other prohibited
2 transactions regardless of whether such transactions are related to obligations within
3 the scope of this Consent Decree, except as provided by Paragraph 38, and

4 f. liability for failure of ASARCO to meet a requirement of this Consent
5 Decree.

6 42. Notwithstanding any other provision of this Consent Decree, the United States
7 reserves all rights against ASARCO with respect to criminal liability.

8 **XIII. RELATIONSHIP TO EXISTING CONSENT DECREES AND ORDERS**

9 43. Nothing in this Consent Decree shall be deemed to modify any existing consent
10 decree or administrative order. If the Parties conclude that the schedule for work or
11 payments set forth in an existing consent decree or administrative order should be modified
12 because (a) the work and/or payments were due during the period covered by the United
13 States' agreement in Paragraph 33 to forbear from enforcement of existing consent decrees
14 and administrative orders and were covered by that agreement, and (b) the work was not
15 required in the pertinent Annual Budget(s) under this Consent Decree, the Parties shall seek
16 in good faith to modify the schedule set forth in the relevant consent decree or administrative
17 order to take into account the period in which the United States agreed to forbear from
18 enforcement. Where the consent of other parties to the consent decree or administrative
19 order is required to accomplish a modification, the Parties shall jointly seek to obtain such
20 consent. Nothing in this Paragraph affects any requirement for court approval or public
21 notice and comment that may apply to a proposed modification to an existing consent decree
22 or administrative order on consent.

23 **XIV. EFFECT OF NONCOMPLIANCE**

24 44. The transfer conditions set forth in Paragraph 6 are necessary and material
25 components of the agreement embodied in this Consent Decree and are a condition precedent
26 to all other covenants and agreements set forth in this Consent Decree. Should the transfer
27 of ASARCO/SPHC's ownership interest in SPCC stock fail to occur by June 1, 2003, such
28 failure shall constitute a material breach of this Consent Decree. In the event of such

1 material breach, (i) this Consent Decree shall become null and void in its entirety, including
2 all agreements and covenants set forth in this Consent Decree, (ii) the Stipulation shall
3 remain in full effect, and (iii) the United States may seek to avail itself of any other remedies
4 available by law or equity. The June 1, 2003 deadline may be extended by the mutual written
5 agreement of all signatories to this Consent Decree.

6 45. Should ASARCO/SPHC transfer its ownership in SPCC stock in a manner that
7 fails to conform fully and completely with all conditions identified in Paragraph 6, such
8 failure shall constitute a material breach of this Consent Decree. In the event of such
9 material breach, (i) the covenants of the United States as set forth in Section X of this
10 Consent Decree shall become null and void; (ii) the United States in its discretion may
11 declare this Consent Decree null and void in its entirety by written notice to
12 ASARCO/SPHC; (iii) the Stipulation shall remain in full effect; and (iv) the United States
13 may seek to avail itself of any other remedies for such breach that are available by law or
14 equity.

15 46. Should the transfer of ASARCO/SPHC's ownership in SPCC stock be
16 subsequently completely unwound, invalidated, or nullified pursuant to a judgment issued
17 by a court of competent jurisdiction, (i) this Consent Decree shall become null and void in
18 its entirety, including all agreements and covenants set forth in this Consent Decree, except
19 that the covenants of ASARCO, SPHC, AMC and Grupo Mexico set forth in Paragraphs
20 39.b, 39.c, and 40 shall remain in valid and in full effect; (ii) the Stipulation shall be
21 reopened and shall be in full effect; and (iii) the United States may seek to avail itself of any
22 other remedies available by law or equity.

23 47. Should the assignment of Note B and/or the Guaranty to the Environmental
24 Trust be unwound, set aside or otherwise be rendered unavailable for use by the Environmen-
25 tal Trust in the manner set forth in Sections VII and VIII, the United States may declare any
26 or all agreements and covenants set forth in Paragraphs 33 through 37 null and void.

27 48. Except as provided below, upon ASARCO's failure or inability to successfully
28 contract for or perform the Environmental Response work at any Site for which ASARCO

1 is designated a Performing Entity in any Annual Budget, the United States may upon written
 2 notice to ASARCO and the Trustee (i) withdraw its covenant set forth in Paragraph 33 of this
 3 Consent Decree with respect to such Site, (ii) terminate ASARCO's right to participate in the
 4 performance of Environmental Response work under the terms of Section VII at such Site,
 5 (iii) terminate ASARCO's right to seek payment of Claims under the terms of Section IX
 6 with respect to such Site, and (iv) assume the performance of any Environmental Response
 7 work assigned to ASARCO at such Site by any Annual Budget or amendment and the right
 8 to submit Claims for such work. In the event that ASARCO's failure or inability to
 9 successfully contract for or perform the Environmental Response work at any Site for which
 10 ASARCO is designated a Performing Entity in any Annual Budget is caused by a Force
 11 Majeure, this Paragraph shall not apply to such nonperformance.

12 49. The actions of the United States under this Section are subject to the right of
 13 ASARCO to seek review by this Court of any such action within fifteen days of service of
 14 any notification prescribed by this Section. In any such proceeding, ASARCO shall have the
 15 burden of establishing by clear and convincing evidence that such action is improper.

16 **XV. APPENDICES**

17 50. The following appendices are attached and incorporated into this Consent
 18 Decree:

19 Appendix A is Note A (\$123 million promissory note issued by AMC to SPHC).

20 Appendix B is Note B (\$100 million promissory note issued by AMC to SPHC).

21 Appendix C is the Agreement of Sale.

22 Appendix D is the Guaranty Agreement.

23 Appendix E is the irrevocable assignment by SPHC of Notes A and B and the
 24 Guaranty to ASARCO.

25 Appendix F is the Trust Agreement.

26 Appendix G is the Security Agreement between ASARCO and the United States.

27 Appendix H is the irrevocable assignment by ASARCO of Note B and the Guaranty
 28 to the Environmental Trust.

1 Appendix I contains the documents supporting ASARCO's assertion that the transfer
 2 of its ownership interest in SPCC as structured in Paragraph 6 provides ASARCO and SPHC
 3 with reasonably equivalent value in return for the transfer of the SPCC shares.

4 **XVI. ADDITIONAL PROVISIONS**

5 51. Except as expressly stated herein, nothing in this Consent Decree shall be
 6 construed to create any rights in, or grant any cause of action to, any person not a signatory
 7 to this Consent Decree.

8 52. This Consent Decree does not provide ASARCO with protection against
 9 contribution claims by third parties relating to Environmental Response at any Site.

10 53. Notwithstanding anything to the contrary in this Consent Decree, nothing in
 11 this Consent Decree releases or nullifies ASARCO's liability to any non-federal governmen-
 12 tal entity under police and regulatory statutes or regulations, or alters or nullifies any non-
 13 federal governmental entity's police and regulatory authority and discretion to require
 14 ASARCO's compliance with applicable law.

 16 to be given, or a report or other document is required to be served or provided by one Party

\$123,250,000.00

[New York, New York]
 [January __, 2003]

FOR VALUE RECEIVED, AMERICAS MINING CORPORATION, a Delaware corporation ("Maker"), unconditionally promises to pay to SOUTHERN PERU HOLDINGS CORPORATION, a Delaware corporation ("Payee"), and its successors and permitted assigns, in the manner and at the place hereinafter provided, the principal amount of One Hundred Twenty-Three Million, Two Hundred Fifty Thousand and No/100 U.S. Dollars (\$123,250,000.00) in seven consecutive annual installments, consisting of \$17,607,143.00 each, on October 31 of each year, commencing October 31, 2003 and ending October 31, 2009; *provided* that the last such installment shall be in the amount necessary to pay this Note in full.

GUARANTY

In order to induce Payee to accept the Note attached hereto as Exhibit A (the "Note"; terms defined therein and not otherwise defined herein being used herein as therein defined) as part of the consideration to be paid by Maker to Payee under the Stock Purchase Agreement, the undersigned ("Guarantor") hereby irrevocably and unconditionally guaranties, as primary obligor and not merely as surety, the due and punctual payment in full of all principal, interest and other amounts from time to time owing to Payee by Maker under the Note (the "Obligations") when the same shall become due, whether at stated maturity, by acceleration or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)). This Guaranty is a guaranty of payment when due and not of collectibility.

The obligations of Guarantor hereunder are absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of the obligations of Maker under the Note, or any substitution, release or exchange of any other guarantee or security for any of the Obligations, and, to the fullest extent permitted by applicable law, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Guaranty that the obligations of Guarantor hereunder shall be absolute and unconditional under any and all circumstances. Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of Guarantor hereunder, which shall remain absolute and unconditional as described above: (a) at any time or from time to time, without notice to Guarantor, the time for any performance of or compliance with any of the Obligations shall be extended, or such performance or compliance shall be waived; or (b) the maturity of any of the Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under this Guaranty or any other agreement or instrument referred to herein shall be waived or any other guarantee of any of the Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with.

Guarantor hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that Payee exhaust any right, power or remedy or proceed against Maker under this Guaranty, or against any other Person under any other guarantee of, or security for, any of the Obligations.

Guarantor hereby agrees that, until the payment and satisfaction in full of all Obligations, it shall not exercise any right or remedy arising by reason of any performance by it of its guaranty hereunder, whether by subrogation or otherwise, against Maker or any other guarantor of any of the Obligations or any security for any of the Obligations.

Any indebtedness of Maker now or hereafter held by Guarantor is hereby subordinated in right of payment to the Obligations, and any such indebtedness of Maker to Guarantor collected or received by Guarantor after an Event of Default has occurred and is

5310476v10

continuing shall be held in trust for Payee and shall forthwith be paid over to Payee to be credited and applied against the Obligations.

Guarantor agrees to pay, or cause to be paid, on demand, and to save Payee harmless against liability for, any and all costs and expenses (including reasonable fees and disbursements of counsel) incurred or expended by Payee in connection with the enforcement of or preservation of any rights under this Guaranty.

The rights, powers and remedies given to Payee by this Guaranty are cumulative and shall be in addition to and independent of all rights, powers and remedies given to Payee by virtue of any statute or rule of law or in the Note or any agreement between Guarantor and Payee or between Maker and Payee. Any forbearance or failure to exercise, and any delay by Payee in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

Guarantor acknowledges and agrees that any interest on any portion of the Obligations which accrues after the commencement of any proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of Maker (or, if interest on any portion of the Obligations ceases to accrue by operation of law by reason of the commencement of said proceeding, such interest as would have accrued on such portion of the Obligations if said proceeding had not been commenced) shall be included in the Obligations because it is the intention of Guarantor and Payee that the Obligations which are guaranteed by Guarantor pursuant to this Guaranty should be determined without regard to any rule of law or order which may relieve Maker of any portion of such Obligations.

In the event that all or any portion of the Obligations are paid by Maker, the obligations of Guarantor hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from Payee as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Obligations for all purposes under this Guaranty.

Guarantor hereby represents and warrants to Payee that: (a) Guarantor is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation; (b) Guarantor has the corporate power, authority and legal right to execute, deliver and perform this Guaranty and has taken all necessary corporate action to authorize its execution, delivery and performance of this Guaranty; (c) this Guaranty has been duly executed and delivered by a duly authorized officer of Guarantor, and this Guaranty constitutes the legally valid and binding obligation of Guarantor, enforceable against Guarantor in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws or equitable principles relating to or limiting creditors' rights generally; and (d) the execution, delivery and performance of this Guaranty will not violate any provision of any existing law or regulation binding on Guarantor, or any order, judgment, award or decree of any court, arbitrator or governmental authority binding on Guarantor, or the certificate of incorporation or bylaws (or comparable organizational

documents) of Guarantor or any agreement to which Guarantor is a party or by which Guarantor or any of its assets may be bound.

In case any provision in or obligation under this Guaranty shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

THIS GUARANTY AND THE RIGHTS AND OBLIGATIONS OF GUARANTOR AND PAYEE HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK (INCLUDING WITHOUT LIMITATION SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES.

This Guaranty is a continuing guaranty and shall be binding upon Guarantor and its successors and assigns. This Guaranty shall inure to the benefit of Payee and its permitted successors and assigns pursuant to Section 8(i) of the Note, including without limitation (x) ASARCO, (y) the United States, to the extent necessary in connection with the creation, perfection and enforcement of the security interest granted to it as contemplated by said Section 8(i), and (z) the trustee of the ASARCO Trust, in each case as contemplated by the terms of the Stock Purchase Agreement.

ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST GUARANTOR ARISING OUT OF OR RELATING TO THIS GUARANTY MAY BE BROUGHT (I) IN THE ACTION STYLED UNITED STATES V. ASARCO, INC. AND SOUTHERN PERU HOLDINGS CORPORATION, NO.
